Bill Analysis

SB 1795 requires the Council on Law Enforcement Education and Training (CLEET) to develop a 2-year probationary period for the certification of successful graduates of the program. Such certification may be withdrawn by CLEET or extended for another 2-year period. CLEET is also directed to develop a questionnaire for supervisors at the hiring agencies to complete on a quarterly basis during the period that the certification of a peace officer is on probation. Failure of any supervisor to complete the questionnaire may result in the loss of that agency to utilize the CLEET for training purposes.
