Bill Analysis

SB 1828 authorizes the Wildlife Conservation Commission to declare an open season to hunt and harvest velvet bucks during the last week of August in counties deemed by the Commission to have a sufficient quantity of deer to warrant an open season. The open season shall be declared no later than 10 days before the season is opened. The Commission is authorized to require by rule that any person participating in a declared velvet buck open season or hunting in open areas during a declared velvet buck open season to procure a special permit, stamp, or license to participate in a declared velvet buck open season. The season shall be restricted to 4 days and 1 velvet buck per person. Hunters must have a valid deer license, velvet buck permit, or stamp.
