Bill Analysis

The FS for SB 1835 provides that any holder of a water permit that is for a medical marijuana business or medical marijuana waste disposal facility found to be out of compliance with any statutory or administrative rule requirement of the Oklahoma Water Resources Board shall receive a written report and citation stating any necessary action or remedy to be taken. The permit holder shall have 15 days from the date he or she received the notification to respond and 90 days to take corrective action. If the permit holder does not take action, the Board may assess an administrative penalty of up to \$5,000.00 per day of violation after a notice has been issued and an opportunity for a hearing has been made available as well as revoke the permit.
