Bill Analysis

SB 1X provides that the ideal Senate district shall contain 82,487 persons and divides the districts accordingly. The bill updates the State Senate Redistricting Act of 2021 to reflect the final determination of the state's population by the United States Census Bureau. Outlined Senate districts shall become operative on the 15th day following the General Election in November 2022 as outlined in the State Senate Redistricting Act of 2021. The residency deadline for candidates for State Senate to file for office in 2022 has been extended until December 31, 2021. The State Election Board shall conduct the elections for the Senate in 2022 in accordance with the provisions of the State Senate Redistricting Act of 2021.
