Bill Analysis

SB 242 requires the Council on Law Enforcement and Education Training (CLEET) to approve or deny a submitted application as it relates to approving courses and training provided by technology center schools within 60 days and further requires CLEET's application form to not exceed 20 pages. The measure removes the on 2 new approved entities per year and allows the approved entities to contract with CLEET for non-classroom portions of training. Any entity denied approval may resubmit an amended application at any time.
