

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 266
Version:	INT
Request No.:	580
Author:	Sen. Standridge
Date:	01/05/2021

Bill Analysis

SB 266 modifies “qualified employee” as it relates to the Oklahoma Equal Opportunity Scholarship Act to include professionals licensed as a Professional Engineer by the State Board of Licensure for Professional Engineers and Land Surveyors. The measure also specifies that qualified programs shall include both the undergraduate and graduate programs of the same discipline of engineering duly accredited by the Accreditation Board for Engineering and Technology.
