

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 34
Version:	INT
Request No.:	382
Author:	Sen. Dahm
Date:	11/18/2020

Bill Analysis

SB 34 requires the Secretary of the State Election Board to direct the secretary of the election board of selected counties to conduct a post-election audit of election results. Such audits must include verification of voting devices and software used in tabulating votes. The election audits required by the measure must be completed for no fewer than three elections in a minimum of three randomly selected counties. All ballots examined in the audits must receive a manual and electronic examination.
