

Bill Summary
1st Session of the 58th Legislature

| | |
|---------------------|-----------------------|
| Bill No.: | SB 349 |
| Version: | INT |
| Request No.: | 133 |
| Author: | Sen. McCortney |
| Date: | 01/12/2021 |

Bill Analysis

SB 349 directs every laboratory testing center or imaging center to make available its current charge description master available on the center's website. The measure also directs the Department of Health to compile and publish on its website a user-friendly database of easily understood comparative pricing information of all laboratory testing centers and imaging centers in this state. Testing and imaging centers are required to submit information to the Department as needed for the Department to create this database.
