

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 387
Version:	INT
Request No.:	273
Author:	Sen. Haste
Date:	01/13/2021

Bill Analysis

SB 387 extends the sale tax exemption on certain manufactured goods to include custom order manufacturing. Custom order manufacturing is defined in the measure as the special order of a customer that manufactures, compounds, processes, or fabricates materials into articles of tangible personal property.
