

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 420
Version:	INT
Request No.:	496
Author:	Sen. Dossett
Date:	01/15/2021

Bill Analysis

SB 420 directs the State Department of Education to keep confidential the home addresses, telephone numbers, personal email addresses and social security numbers of any person employed, or formerly employed by a school district or public charter school. The measure allows an employed or formerly employed person to provide the Department with written permission to disclose such information.
