

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 433
Version:	INT
Request No.:	186
Author:	Sen. Rosino
Date:	01/18/2021

Bill Analysis

SB 433 requires any investigation of a community-based service provider conducted by the Department of Human Services to notify the provider of areas of concern and administrative information. Areas of concern and administrative information are not considered to be final investigative findings and will not be included in the final investigative report.
