**Bill Analysis**

SB 464 extends the sunset date for the Oklahoma Quality Events Incentive Act from June 30, 2021, to June 30, 2026. The measure also modifies the time period by which a host community must designate the date and expenses for an event from 6 months to 30 days prior to the event. The measure requires host communities to complete an economic impact study for submission to the Oklahoma Tax Commission. The contents of the economic impact study are outlined in the measure.
