Bill Analysis

SB 539 requires any agency exempt from some or all provisions of the Administrative Procedures Act to publish its exempt rules on its website. Additionally, the measure requires agencies to respond to request from the Governor or Legislators to review their rules within 30 days instead of 90 days and additionally requires agencies to respond within 90 days to a small business. Responses are required by the measure to be made in writing and to state the agency's findings and the justification for such findings. The measure also specifies that the Legislature may by joint resolution amend any proposed or current rule. Actions by the Legislature to approve, disapprove, or amend an agency rule may apply all or part of the rule.
