

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 652
Version:	INT
Request No.:	1005
Author:	Sen. Dossett
Date:	01/21/2021

Bill Analysis

SB 652 requires all state employee plans issued after October 30, 2021, to provide for screening, diagnosis, and treatment of autism spectrum disorder in individuals less than 12 years of age. Coverage issued after the effective date shall not be subject to a maximum benefit of hours per week but shall be subject to a maximum benefit of \$30,000.00.
