

Bill Summary
1st Session of the 58th Legislature

Bill No.:	SB 835
Version:	INT
Request No.:	1576
Author:	Sen. Stephens
Date:	01/26/2021

Bill Analysis

SB 835 prohibits the discrimination of any person on the basis of their vaccination or immunity status by any public accommodation. No entity may provide financial incentives for immunization, segregate vaccinated or unvaccinated persons, restrict persons from a privilege enjoyed by others, deny program participation, or treat any individual differently from others in determining whether that individual satisfies any admission or membership requirements.
