Bill Analysis

The FS for SB 893 clarifies that “qualified program” as it relates to the income tax credit for aerospace employees shall include graduate and undergraduate programs. The undergraduate and graduate programs of the same discipline of engineering at an institution shall be part of the qualified program if either program is ABET accredited. The FS modifies “qualified employee” to require such persons to possess either an undergraduate or graduate degree from a qualified program by an institution or be a licensed Professional Engineer.
