

**Fiscal Impact**  
2<sup>nd</sup> Session of the 57<sup>th</sup> Legislature

**Bill No.:**  
**Version:**  
**Author:**  
**Date:**

**HB 1705**  
**ENGR**  
**Sen. Murdock**  
**03/24/2021**

**Fiscal Analysis**

HB 1705 eliminates the requirement that persons generating or shipping hazardous waste must create a disposal plan and submit quarterly reports to DEQ indicating the amount of hazardous waste generated, treatment and disposal methods. It also eliminates a fee for generator disposal plans and fees for monitoring small quantity generators. The net effect of the fee change will be nearly revenue neutral.

**FY'22 Impact:** None

**Full Year Impact:** None
