Fiscal Analysis

HB 2123 creates the Pharmacy Choice Commission under the Oklahoma Insurance Department. The Pharmacy Choice Commission shall conduct oversight hearings related to this act or the oversight of the pharmacy benefit managers. The Pharmacy Choice Commissioners shall not be entitled to any compensation relating to conducting these hearings. OID anticipates that there will be a fiscal impact to the agency, but it will be minimal. OID is a non-appropriated agency, so there will be no fiscal impact to the state.
