TAX TYPE (S): Sales Tax SUBJECT: Exemption

PROPOSAL: Amendatory

The measure proposes to amend 68 O.S. § 1356(70) by changing the administration of the sales tax exemption for Blue Star Mothers of America, Inc. Currently, Section 1356(70) of Title 68 exempts from state sales tax, purchases by the Blue Star Mothers of America, Inc.¹ of tangible personal property actually sent to United States military personnel overseas who are serving in a combat zone. Instead of the described refund process, the measure proposes that the exemption for purchases of items intended to be sent to the aforementioned personnel be claimed at the point of sale pursuant to the issuance by the Tax Commission of a sales tax exemption certificate.

ATTACHMENT TO FISCAL IMPACT-SB1104-[Engrossed]-Prepared March 31, 2022

The measure proposes to amend 68 O.S. § 1356(70) by changing the administration of the sales tax exemption for Blue Star Mothers of America, Inc. Currently, Section 1356(70) of Title 68 exempts from state sales tax, purchases by the Blue Star Mothers of America, Inc.² of tangible personal property actually sent to United States military personnel overseas who are serving in a combat zone. To perfect the referenced exemption the Organization must file a claim for refund for the state sales tax paid on the covered purchases. Instead of the described refund process, the measure proposes that the exemption be claimed at the point of sale pursuant to the issuance by the Tax Commission of a sales tax exemption certificate for purchases of items intended to be sent to the aforementioned personnel.

The national website for Blue Stars Mothers of America Inc. indicates that there are twelve Oklahoma Chapters of the referenced Organization. Based on Oklahoma Tax Commission data for FY 21, only one chapter filed four refund claims in the total amount of \$515.28.

It is anticipated that some chapters, which previously did not pursue refunds of sales taxes paid on purchases of any eligible items, will avail themselves of the point of sale exemption provided for in the measure. However, due to the scope of the exemption remaining substantially the same, a minimal decrease in state sales tax collections is estimated for FY 23 and FY 24.

² A service organization of mothers who have children who are serving or who have served in the military, which service organization is exempt from taxation pursuant to the provisions of the Internal Revenue Code, 26 U.S.C., Section 501(c)(19) and which is known as the Blue Star Mothers of America, Inc.
