**Fiscal Analysis**

SB 1127 provides for an increase in the in-lieu of compensation for personnel in a school district who choose not to participate in the school district sponsored cafeteria plan, increasing it from \$69.71 to \$300 per month for certified personnel and from \$189.69 to \$300 per month for support personnel. Bill also requires certified or support personnel who choose not to participate in the cafeteria plan to provide proof of coverage under a separate health insurance plan annually and sign an affidavit attesting that the employee is currently covered and does not require school district-sponsored health insurance.

For school district personnel, fiscal impact is projected using January 2021 certified and support personnel count who opted to receive in-lieu of. This includes 7,884 certified personnel and 11,370 support personnel.
