

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:
Version:
Author:
Date:

SB 1183
INT
Sen. Stanley
02/07/2022

Fiscal Analysis

SB 1183 allows an appointing authority to grant up to 15 days of COVID-19 sick leave to healthcare or full-time custodial care workers if they are required to isolate or be quarantined and have insufficient leave balances to otherwise cover the isolation/quarantine period. There is a maximum possible impact of \$12,877,124, however, the actual impact will be substantially less than this. Due to the unknowable future number of qualifying instances of covered leave; the actual impact is undeterminable.

FY'23 Impact: No more than \$12,877,124.00

Full Year Impact: No more than \$12,877,124.00
