Fiscal Analysis

SB 1184 creates the Student Right to Know Act. It requires the State Department of Education to collaborate with other agencies to compile data on an annual basis that will help high school students make informed decisions about their futures. Projected cost is a rough estimate and will vary depending on the current state of data collection by partner agencies and data sharing capabilities. Includes personnel costs based on level of effort needed for the discovery phase, planning phase, the execution phase, and webpage development.

FY'23 Impact: \$31,000.00-\$92,000.00

Full Year Impact: \$15,000.00 annual maintenance cost
