

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:
Version:
Author:
Date:

SB 1370
INT
Sen. Matthews
02/09/2022

Fiscal Analysis

SB 1370 adds curriculum requirements for security guards, armed security guards, and private investigators. CLEET only sets and approves the curriculum for private security guards. Any change in curriculum would be a minimal one-time expense of man hours for certain personnel and the Private Security Advisory Council, who are all volunteers.

FY'23 Impact: Minimal one-time expense of man hours

Full Year Impact: None

Prepared by: Council on Law Enforcement Education Training
