

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:

SB 1388

Version:

INT

Author:

Sen. Garvin

Date:

02/07/2022

Fiscal Analysis

The removal of the peer limits in the tuition setting process may affect tuition rates over time, but not an immediate fiscal impact to the State. The reporting features in section D for institutional websites are duplicative of the reports posted to the State Regents' website currently with data for the whole state system.

FY'23 Impact: None

Full Year Impact: None

Prepared by: State Regents for Higher Education
