

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:	SB 1416
Version:	INT
Author:	Sen. David
Date:	02/07/2022

Fiscal Analysis

There would be a fiscal impact to our institutions that may grow over time as the National Guard is successful in recruiting from surrounding states. The initial impact would be minimal under the current program; however, as a companion to SB 1418, nonresident students would be deemed resident students through this bill and would also become eligible for the waiver program outlines in SB1418.
