

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:

SB 1827

Version:

CS

Author:

Sen. Bullard

Date:

02/18/2022

Fiscal Analysis

SB 1827 creates a new program at Aeronautics Commission to be named the Fly-In Oklahoma Program. The purpose is to enhance and incentivize aviation and aerospace tourism areas at publicly owned airports. Funds would be used for grants at airports and for tourism promotion. Funding for the program is contingent upon the availability of funds appropriated by the Legislature.

FY'23 Impact: Contingent on Appropriations

Full Year Impact: Contingent on Appropriations
