Fiscal Analysis

SB 312 sets penalties for persons convicted of identity theft from a victim younger than 18 years old. The fiscal impact of this bill is contingent on the number of people convicted of the offenses listed in the bill but will likely be minimal. Since 2016, 400 cases of identity theft have been filed in Oklahoma (excluding Tulsa and Oklahoma Counties) Since 2018, 265 cases of identity theft have been filed in Tulsa County. Since 2020, 30 cases of identity theft have been filed in Oklahoma County.
