

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:
Version:
Author:
Date:

SB 49
INT
Sen. Floyd
02/18/2021

Fiscal Analysis

SB 49 modifies the initial applications fees to be licensed as a Chiropractor in Oklahoma. This measure increases the nonrefundable portion of the application fee while reducing the overall cost. The majority of the agency's funding comes from renewals, so this bill's approximately \$5,000 impact will have minimal impact to the agency.

FY'22 Impact: Minimal

Full Year Impact: Minimal
