

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:

SB 652

Version:

INT

Author:

Sen. Dossett

Date:

02/12/2021

Fiscal Analysis

SB 128 requires all state employee health plans to provide screening, diagnosis, and treatment of autism spectrum disorder for individuals less than 12 years of age with a maximum benefit of \$30,000. The fiscal impact of SB652 would be negligible. Very few HealthChoice members hit the current limit of \$25,000.

FY'22 Impact: Negligible

Full Year Impact: Negligible
