

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:	SB 749
Version:	CS
Author:	Sen. Allen
Date:	02/11/2021

Fiscal Analysis

SB 749 would create a \$1.00 fee per kilowatt of total nameplate generating capacity for commercial wind equipment. In CY'22 Oklahoma will have a total of 8,749.6 megawatts of nameplate generating capacity for commercial wind equipment. 8,749.6 megawatts or 8,749,600 kilowatts will generate \$8,749,600 for the Education Reform Revolving Fund.

FY'22 Impact: \$8,749,600.00 to Education Fund

Full Year Impact: \$8,749,600.00 to Education Fund

Prepared by: Senate Fiscal Staff and the Oklahoma Corporation Commission
