The revenue impact provided herein is an estimate of the potential impact on the collection or apportionment of tax revenues affected by the proposed legislation. It is not intended to be an estimate of the overall fiscal impact on the state budget if the proposed legislation is enacted.

ATTACHMENT TO REVENUE IMPACT - SB 870 [Engrossed] Prepared 3/9/2021

Engrossed SB 870 proposes to amend 74 O.S. §212 to allow for an annual operational audit of the Oklahoma Tax Commission (OTC) by the State Auditor and Inspector (SAI). This proposal further removes the requirements for the SAI to perform annual financial statement audits of the OTC and for the OTC to furnish office space for SAI auditors.

Currently, the SAI is required to perform an annual financial statement audit of the OTC, and SAI audit costs for FY 21 are \$200,000. The audit of the OTC by the SAI is continuous, and the OTC provides office space to SAI auditors at an estimated cost of approximately \$21,000 annually.

The cost for an operational audit of the OTC by the SAI is unknown; however, potential savings of \$155,000 to the OTC are expected for costs associated with salary and benefits for OTC Business Operations and for office space provided by the OTC to SAI auditors.

No changes in revenue are anticipated as a result of this proposal.
