Re: Floor Substitute for Senate Bill No. 897  
RBS No. 1966

Floor Substitute for Senate Bill No. 897 requires the fire chief of a participating employer of Oklahoma Firefighters Pension and Retirement System that employees both paid and volunteer firefighters must have at 3 years of service as a paid or volunteer or a combination of paid and volunteer firefighter.

A retired firefighter who is reemployed as a fire chief may continue to receive retirement benefit from the system.

Floor Substitute for Senate Bill No. 897 is a nonfiscal bill as defined by the Oklahoma Pension Legislation Actuarial Analysis Act.
