19 to do so would cause the school or landlord the potential to lose a  
20 monetary or licensing-related benefit under federal law or  
21 regulations.

22 B. Unless a failure to do so would cause an employer the  
23 potential to lose a monetary or licensing-related benefit under  
24 federal law or regulations, an employer may not discriminate against

1 a person in hiring, termination or imposing any term or condition of  
2 employment or otherwise penalize a person based upon the status of  
3 the person as a medical marijuana patient licensee. Employers may  
4 take action against a medical marijuana patient licensee if the  
5 licensee uses or possesses marijuana while in his or her place of  
6 employment or during the hours of employment. Employers may not  
7 take action against a medical marijuana patient licensee solely  
8 based upon the status of an employee as a medical marijuana patient  
9 licensee or the results of a drug test showing positive for  
10 marijuana or its components.

11 C. For the purposes of medical care, including organ  
12 transplants, the authorized use of marijuana by a medical marijuana  
13 patient licensee shall be considered the equivalent of the use of  
14 any other medication under the direction of a physician and does not  
15 constitute the use of an illicit substance or otherwise disqualify a  
16 registered qualifying patient from medical care.

17 D. No medical marijuana patient licensee may be denied custody  
18 of or visitation or parenting time with a minor child, and there is  
19 no presumption of neglect or child endangerment for conduct allowed

21 licensee creates an unreasonable danger to the safety of the minor  
22 child.

23 E. No person who possesses a medical marijuana patient license  
24 may be unduly withheld from holding another state-issued license by

1 virtue of his or her status as a medical marijuana patient licensee  
2 including, but not limited to, a concealed carry permit.

3 F. 1. No city or local municipality may unduly change or  
4 restrict zoning laws to prevent the opening of a medical marijuana

8 prevents medical marijuana dispensaries from operating within

1 public school or private school to the nearest perimeter wall of the  
2 licensed premises of such medical marijuana dispensary. If a  
3 medical marijuana dispensary met the requirements of this subsection  
4 at the time of its initial licensure, the medical marijuana  
5 dispensary licensee shall be permitted to continue operating at the  
6 licensed premises in the same manner and not be subject to  
7 nonrenewal or revocation due to subsequent events or changes in  
8 regulations occurring after licensure that would render the medical  
9 marijuana dispensary in violation by being within one thousand  
10 (1,000) feet of a public school or private school. If any public  
11 school or private school is established within one thousand (1,000)  
12 feet of any medical marijuana dispensary after such medical  
13 marijuana dispensary has been licensed, the provisions of this  
14 subsection shall not be a deterrent to the renewal of such license  
15 or warrant revocation of the license. For purposes of this  
16 subsection, a property owned, used or operated by a public school or  
17 by a private school that is not used for classroom instruction on  
18 core curriculum, such as an administrative building, athletic

19 or technically suitable, the Authority shall deny the permit. The  
20 Authority shall have the authority to revoke a permit upon a finding  
21 that the site and facility are not physically and technically
