21 SECTION 20. AMENDATORY 47 O.S. 2021, Section 1107, is
22 amended to read as follows:

23 Section 1107. A. In the event of the sale or transfer of the
24 ownership of a vehicle for which a certificate of title has been

1 issued as provided by Section 1105 of this title, the holder of such
2 certificate shall endorse on the back of same a complete assignment
3 thereof with warranty of title in form printed thereon with a
4 statement of all liens or encumbrances on the vehicle, sworn to
5 before a notary public or some other person authorized by law to
6 take acknowledgments, and deliver same to the purchaser or
7 transferee at the time of delivery to the purchaser or transferee of
8 the vehicle; provided, a transfer of the ownership of a vehicle to
9 an insurer resulting from the settlement of a total loss claim shall
10 not require a notarized signature on the certificate of title. The
11 purchaser or transferee, unless such person is a bona fide used
12 motor vehicle dealer licensed by this state, a retail implement
13 dealer in connection with the purchase or transfer of off-road
14 vehicles or a charitable organization shall, within thirty (30) days
15 from the time of delivery to the purchaser or transferee of the
16 vehicle, present the assigned certificate of title and the insurance
17 security verification to the vehicle to the Oklahoma Tax Commission,
18 or one of its motor license agents, accompanied by a fee of Eleven
19 Dollars (\$11.00), together with any motor vehicle excise tax or
20 license fee that may be due, whereupon a new certificate of title,
21 shall be issued to the assignee. One Dollar (\$1.00) of each fee
22 shall be deposited in the Oklahoma Tax Commission Reimbursement
23 Fund. Any charitable organization utilizing the exemption
24 authorized by this subsection shall receive training as prescribed

1 by the Oklahoma Used Motor Vehicle ~~and Parts~~, Dismantler, and
2 Manufactured Housing Commission.

3 B. A licensed dealer, a retail implement dealer in connection
4 with the sale or disposal of off-road vehicles or a charitable
5 organization shall, on selling or otherwise disposing of a vehicle,
6 execute and deliver to the purchaser thereof the certificate of
7 title properly and completely reassigned. Thereupon, the purchaser
8 of the vehicle shall present the reassigned certificate to the
9 Commission, or a motor license agent, accompanied by a fee of Eleven
10 Dollars (\$11.00), and any motor vehicle excise tax or license fee
11 that may be due, whereupon a new certificate of title will be issued
12 to the purchaser. One Dollar (\$1.00) of each fee shall be deposited
13 in the Oklahoma Tax Commission Reimbursement Fund. The certificate,
14 when so assigned and returned to the Commission, together with any
15 subsequent assignment or reissue thereof, shall be appropriately
16 filed and indexed so that at all times it will be possible to trace
17 title to the vehicle designated therein. Provided, when the
18 ownership of any motor vehicle shall pass by operation of law, the
19 person owning the vehicle may, upon furnishing satisfactory proof to
20 the Commission of ownership, procure a title to the motor vehicle,
21 regardless of whether a certificate of title has ever been issued.
22 The dealer shall execute and deliver to the purchaser bills of sale
23 on forms prescribed by the Commission for all new vehicles sold by
24 the dealer. On presentation of a bill of sale executed on forms

1 prescribed by the Commission, by a manufacturer or dealer for a new
2 vehicle sold in this state, accompanied by remittance in the sum of
3 Eleven Dollars (\$11.00), together with any motor vehicle excise tax
4 or license fee that may be due, a certificate of title shall be
5 issued in accordance with the provisions of the Oklahoma Vehicle
6 License and Registration Act. One Dollar (\$1.00) of each fee shall
7 be deposited in the Oklahoma Tax Commission Reimbursement Fund. For
8 purposes of this subsection, "charitable organization" shall mean
9 any organization which is exempt from taxation pursuant to the
10 provisions of the Internal Revenue Code, 26 U.S.C., Section

16 farm tractors as defined in Section 1-118 of this title or
17 implements of husbandry as defined in Section 1-125 of this title or
18 a combination thereof.

19 C. Any person violating the provisions of this section shall be
20 guilty of a misdemeanor and upon the first conviction thereof shall
21 be punished by a fine not to exceed Five Hundred Dollars (\$500.00),
22 with impoundment of the vehicle until all taxes and fees are paid.
23 A second or subsequent conviction shall be punished by a fine not to
24 exceed One Thousand Dollars (\$1,000.00), with impoundment of the

1 vehicle until all taxes and fees are paid. If a vehicle is
2 impounded pursuant to the provisions of this section, the vehicle
3 shall not be released to the owner until the owner provides proof of
4 security or an affidavit that the vehicle will not be used on public
5 highways or public streets, as required pursuant to Section 7-600 et
6 seq. of this title. Each vehicle involved in a violation of this
7 section shall be considered a separate offense.

8 SECTION 21. AMENDATORY 47 O.S. 2021, Section 1128, is
9 amended to read as follows:

10 Section 1128. A. Every person manufacturing or having a
11 contract to sell new vehicles in this state shall file a verified
12 application for a general distinctive number for all new vehicles
13 owned or controlled by the manufacturer or dealer; provided, the
14 Oklahoma Tax Commission shall issue a license to sell such new motor
15 vehicles only for those types of new vehicles for which the
16 applicant has a sales contract or franchise; provided, further, that
17 no license shall be issued to any applicant that has not complied
18 with the provisions of Sections 561 through 568 of this title and
19 does not hold a current license issued by the Oklahoma Motor Vehicle
20 Commission pursuant thereto. A separate manufacturer's or dealer's
21 license shall be required for each separate county within which such
22 manufacturer or dealer has an established place of business and upon
23 payment of a license fee of Ten Dollars (\$10.00) there shall be
24 assigned and issued to such manufacturer or dealer a Certificate of

1 Registration and one license plate which shall be displayed upon
2 each vehicle of such manufacturer or dealer when same is operated,
3 driven, or displayed on any street, road, or highway, in the same
4 manner as hereinbefore provided for vehicles owned by other persons.
5 Such a manufacturer or dealer in new vehicles may obtain as many
6 additional license plates as may be desired, upon the payment of the
7 sum of Ten Dollars (\$10.00) for each additional plate; provided that
8 no such license plate issued to any manufacturer or dealer shall be
9 used or displayed upon any secondhand or used vehicle, or upon any
10 new vehicle which is used for a service car, or private use, or for
11 hire. Any person, with consent of the dealer, may operate a motor
12 vehicle, with the dealer's tag affixed, while contemplating
13 purchase, so long as this intent is limited to a consecutive
14 seventy-two-hour period, or a weekend. An individual holding a
15 valid salesman's license issued by the Oklahoma Motor Vehicle
16 Commission shall not be subject to this limitation. If such person
17 also buys and sells used vehicles, he shall, after obtaining his new
18 motor vehicle dealer's license from the Oklahoma Motor Vehicle
19 Commission, also obtain a used motor vehicle dealer's license, from
20 the Oklahoma Used Motor Vehicle and Parts, Dismantler, and
21 Manufactured Housing Commission, the cost of which shall be as
22 prescribed in Section 1101 et seq. of this title.

23 B. Each dealer and used motor vehicle dealer shall keep a
24 record of the purchase and sale of each motor vehicle he buys or

1 sells, which shall show the name of the seller or buyer as the case
2 may be, and a complete description of the vehicle purchased or sold,
3 and such other information as the Commission may prescribe.

4 C. Application for manufacturer's or dealer's license must show
5 that such dealer or manufacturer has not violated any of the
6 provisions of this section; and such license shall be nonassignable;
7 and any such license may be suspended temporarily or revoked by the
8 Commission for violation or failure to comply with this section;
9 provided, the holder of such license shall be given ten (10) days'
10 notice of hearing to suspend or cancel such license. If any such
11 person subject to any of the licenses required in this section fails
12 to obtain it when due, a penalty of twenty-five cents (\$0.25) per
13 day on each such license shall be charged in the same manner as is
14 now provided on delinquent motor vehicle registrations, and after a
15 period of thirty (30) days such penalty shall be equal to the
16 license fee. It shall be the duty of every person licensed to sell
17 new or used motor vehicles to advise each purchaser in writing about
18 his title requirements and payment of any taxes due. Each used
19 motor vehicle must display a proper Oklahoma license plate or a used
20 dealer's license plate.

21 D. Every person engaged in the business of transporting and
22 delivering new or used vehicles by driving, either singly or by
23 towbar, saddle mount or full mount method, engaging in drive-away
24 operations as defined in Section 3 of Title 85 of the Oklahoma

1 Statutes, or any combination thereof, from the manufacturer or
2 shipper to the dealer or consignee and using the public highways of
3 this state shall file with the Commission a verified application for
4 in-transit license plates to identify such vehicles. The
5 application shall provide for a general distinctive number for all
6 vehicles so transported. Upon payment of a license fee of Ten
7 Dollars (\$10.00) there shall be assigned and issued to such person
8 one in-transit plate. Such in-transit plate shall be used by such
9 person only on vehicles when so transported. Such person may obtain
10 as many additional in-transit plates as desired upon payment of a
11 fee of Ten Dollars (\$10.00) for each additional plate. Provided, a
12 used motor vehicle dealer shall use a used dealer license plate in
13 lieu of the in-transit license plate for transporting a used motor
14 vehicle and, in such cases, shall be exempt from making application
15 for an in-transit license plate. Provided further, only a person
16 who possesses a valid motor carrier authority issued by the Federal
17 Motor Carrier Safety Administration, or a valid for-hire authority
18 issued by the Corporation Commission may use the in-transit license
19 plates obtained by them as herein authorized for transporting new or
20 used manufactured homes from one location to another location within
21 Oklahoma or from a point in another state to a point in this state.
22 Nothing contained in this section shall relieve any person from the
23 payment of license fees otherwise provided by law. When the
24 Commission deems it advisable and in the public interest, it may

1 require the holder of any in-transit license, or any person making
2 application therefor, to file a proper surety bond in any amount it
3 deems proper, not to exceed Ten Thousand Dollars (\$10,000.00).

4 E. The Oklahoma Tax Commission shall issue dealer licenses to
5 new and used manufactured home dealers, new and used travel trailer
6 dealers and new and used commercial trailer dealers.

7 F. All licenses provided for in this section shall expire on
8 December 31 of each year.

9 SECTION 22. AMENDATORY 47 O.S. 2021, Section 1137.1, is
10 amended to read as follows:

11 Section 1137.1 A. Except for vehicles, travel trailers or
12 commercial trailers which display a current Oklahoma license tag,
13 upon the purchase or transfer of ownership of a used motor vehicle,
14 travel trailer or commercial trailer, including an out-of-state
15 purchase or transfer of the same, to a licensed used motor vehicle
16 dealer, wholesale used motor vehicle dealer, used travel trailer
17 dealer or used commercial trailer dealer, subsequently referred to
18 in this section as "dealer", the dealer shall affix a used dealer's
19 plate visible from the rear of the vehicle, travel trailer or
20 commercial trailer. Such license plate shall expire on December 31
21 of each year. When the vehicle, travel trailer or commercial
22 trailer is parked on the dealer's licensed place of business, it
23 shall not be required to have a license plate of any kind affixed.
24 A dealer shall obtain from the Oklahoma Tax Commission at a cost of

1 Ten Dollars (\$10.00) a dealer license plate for demonstrating,
2 transporting or any other normal business of a dealer including use
3 by an individual holding a valid salesperson's license issued by the
4 Oklahoma Used Motor Vehicle ~~and Parts~~, Dismantler, and Manufactured
5 Housing Commission. Any dealer who operates a wrecker or towing
6 service licensed pursuant to Sections 951 through 957 of this title
7 shall register each wrecker vehicle and display a wrecker license
8 plate on each vehicle as required by Section 1134.3 of this title.
9 A dealer may obtain as many additional license plates as may be
10 desired upon the payment of Ten Dollars (\$10.00) for each additional
11 license plate. Use of the used dealer license plate by a licensed
12 dealer for other than the purposes as set forth herein shall
13 constitute grounds for revocation of the dealer's license. The
14 Oklahoma Tax Commission shall design the official used dealer
15 license plate to include the used dealer's license number issued to
16 him or her each year by the Commission or the Oklahoma Used Motor
17 Vehicle and Parts, Dismantler, and Manufactured Housing Commission.

18 B. Upon the purchase or transfer of ownership of an out-of-
19 state used motor vehicle, travel trailer or commercial trailer to a
20 licensed dealer, the dealer shall make application for an Oklahoma
21 certificate of title pursuant to the Oklahoma Vehicle License and
22 Registration Act, Section 1101 et seq. of this title. Upon receipt
23 of the Oklahoma certificate of title, the dealer shall follow the
24 procedure as set forth in subsection A of this section. Provided,

1 nothing in this title shall be construed as requiring a dealer to
2 register a used motor vehicle, travel trailer or commercial trailer
3 purchased in another state which will not be operated or sold in
4 this state.

5 C. Upon sale or transfer of ownership of the used motor vehicle
6 or travel trailer, the dealer shall place upon the reassignment
7 portion of the certificate of title a tax stamp issued by the county
8 treasurer of the county in which the dealer has his or her primary
9 place of business. The tax stamp shall be issued upon payment of a
10 fee of Three Dollars and fifty cents (\$3.50) and shall be in lieu of
11 the dealer's ad valorem tax on the inventories of used motor
12 vehicles or travel trailers but shall not relieve any other property
13 of the dealer from ad valorem taxation.

14 D. Upon sale of a used motor vehicle or travel trailer to
15 another licensed dealer, the selling dealer shall place the tax
16 stamp required in subsection C of this section upon the certificate
17 of title. The used dealer license plate or wholesale dealer license
18 plate shall be removed by the selling dealer. The purchasing dealer
19 shall, at time of purchase, place his or her dealer license plate on
20 the used motor vehicle, travel trailer or commercial trailer as
21 provided in subsection A of this section; provided, for vehicles,
22 travel trailers or commercial trailers purchased by a licensed used
23 dealer at an auction, in lieu of such placement of the dealer
24 license plate, the auction may provide temporary documentation as

1 approved by the Director of the Motor Vehicle Division of the
2 Oklahoma Tax Commission for the purpose of transporting such vehicle
3 to the purchaser's point of destination. Such temporary
4 documentation shall be valid for two (2) days following the date of
5 sale.

6 E. The purchaser of every used motor vehicle, travel trailer or
7 commercial trailer, except as otherwise provided by law, shall
8 obtain registration and title for the vehicle or trailer within
9 thirty (30) days from the date of purchase of same. It shall be the
10 responsibility of the selling dealer to place a temporary license
11 plate, in size similar to the permanent Oklahoma license plate but
12 of a weatherproof plastic-impregnated substance approved by the
13 Oklahoma Used Motor Vehicle and Parts, Dismantler, and Manufactured
14 Housing Commission, upon a used motor vehicle, travel trailer or
15 commercial trailer when a transaction is completed for the sale of
16 said vehicle. The temporary license plate under this subsection
17 shall be placed at the location provided for the permanent motor
18 vehicle license plate. The temporary license plate shall show the
19 license number which is issued to the dealer each year by the
20 Oklahoma Tax Commission or the Oklahoma Used Motor Vehicle and
21 Parts, Dismantler, and Manufactured Housing Commission, the date the
22 used motor vehicle, travel trailer or commercial trailer was
23 purchased and the company name of the selling dealer. The Oklahoma
24 Used Motor Vehicle and Parts, Dismantler, and Manufactured Housing

1 Commission is hereby directed to develop the temporary license plate
2 design to incorporate these requirements in a manner that will
3 permit law enforcement personnel to readily identify the dealer
4 license number and date of the vehicle purchase. The Oklahoma Used
5 Motor Vehicle and Parts, Dismantler, and Manufactured Housing
6 Commission is hereby authorized to develop additional requirements
7 and parameters as deemed appropriate to discourage or prevent
8 illegal duplication and use of the temporary license plate. Such
9 temporary license plate shall be valid for a period of thirty (30)
10 days from the date of purchase. Use of the temporary license by a
11 dealer for other than the purposes set forth herein shall constitute
12 grounds for revocation of the dealer's license to conduct business.
13 Purchasers of a commercial trailer shall affix the temporary license
14 plate to the rear of the commercial trailer. The purchaser shall
15 display the temporary license plate for a period not to exceed
16 thirty (30) days or until registration and title are obtained as
17 provided in this section.

18 The provisions of this subsection on temporary licenses shall
19 apply to nonresidents who purchase a used motor vehicle, travel
20 trailer or commercial trailer within this state that is to be
21 licensed in another state. The nonresident purchaser shall be
22 allowed to operate the vehicle or trailer within the state with a
23 temporary license plate for a period not to exceed thirty (30) days
24 from date of purchase. Any nonresident purchaser found to be

1 operating a used motor vehicle, travel trailer or commercial trailer
2 within this state after thirty (30) days shall be subject to the
3 registration fees of this state upon the same terms and conditions
4 applying to residents of this state.

5 F. It shall be unlawful for any dealer to procure the
6 registration and licensing of any used motor vehicle, travel trailer
7 or commercial trailer sold by the dealer or to act as the agent for
8 the purchaser in the procurement of the registration and licensing
9 of the purchaser's used vehicle, travel trailer or commercial
10 trailer. A license of any dealer violating the provision of this
11 section may be revoked.

12 G. Dealers following the procedure set forth herein shall not
13 be required to register vehicles, travel trailers or commercial
14 trailers to which this section applies, nor will the registration
15 fee otherwise required be assessed. Provided, dealers shall not
16 purchase or trade for a used motor vehicle, travel trailer or
17 commercial trailer on which the registration therefor has been
18 expired for a period exceeding thirty (30) days without obtaining
19 current registration therefor.

20 H. A nonprofit charitable organization which is exempt from
21 taxation pursuant to the provisions of the Internal Revenue Code, 26
22 U.S.C., Section 501(c)(3), and which accepts donations of used motor
23 vehicles previously titled in Oklahoma to be subsequently
24 transferred to another owner, upon the qualifying organization

1 providing sufficient documentation of its tax-exempt status, may
2 obtain from the Oklahoma Tax Commission charitable nonprofit
3 organization license plates for demonstrating, transporting or test-
4 driving donated vehicles, provided that no organization shall
5 possess or use at any one time more than eight such plates. The Tax
6 Commission shall design distinctive license plates for that purpose.
7 The cost for said plates shall be the same as provided in subsection
8 A of this section for dealer plates.

9 I. The transfer of ownership from the vehicle donor to the
10 qualifying nonprofit organization described in subsection H of this
11 section shall be made without the payment of motor vehicle excise
12 tax levied pursuant to Section 2103 of Title 68 of the Oklahoma
13 Statutes.
