**Research Analysis**

The conference committee substitute for HB 4056 requires the medical marijuana testing laboratory contracting with the Oklahoma Medical Marijuana Authority (OMMA) and a board or committee comprised of licensed Oklahoma medical marijuana laboratories currently accredited by the International Organization for Standardization (ISO) to provide recommendations for brands and models of equipment and standards to be utilized by licensed testing laboratories by June 1, 2023. OMMA will have 90 days from the date it receives the recommendations to promulgate or modify rules for standards and testing. Beginning June 1, 2024, all testing laboratories renewing their business license will be subject to any new or modified rules, and the refusal to comply with such rules will result in the permanent revocation of the testing laboratory license.
