Bill Analysis

SB 1150 modifies the eligibility requirements for members of the Polygraph Examiners Board by striking language prohibiting no more than 2 members being placed on the Board from the same place of employment or congressional district. Additionally, the measure strikes language requiring at least 2 members of the Board be qualified examiners of a governmental law enforcement agency as well as the requirement that at least 2 members of the Board be qualified polygraph examiners in the commercial field. The measure also provides clarifying language as it relates to what a polygraph measures.
