

Bill Summary
2nd Session of the 58th Legislature

Bill No.:	SB 1321
Version:	INT
Request No.:	2945
Author:	Sen. Garvin
Date:	01/18/2022

Bill Analysis

SB 1321 provides that if the State Department of Health finds that a long-term care facility is in violation of federal certification criteria and an equivalent and duplicative violation under the Nursing Home Care Act or applicable rules exists, it shall only serve a notice of violation for the violation of federal certification criteria and may only penalize the facility for the violation of federal certification criteria.
