2nd Session of the 58th Legislature

Bill No.:	SB 1375
Version:	INT
Request No.:	2271
Author:	Sen. Bullard
Date:	01/19/2022

Bill Analysis

SB 1375 exempts teacher candidates who have graduated from a teacher education program at an institution within The Oklahoma State System of Higher Education from being required to take and pass the general education, professional education, or subject area portions of competency examinations after the bill's effective date. The measure still requires a teacher seeking certification or an endorsement in a subject for which the teacher is not certified to complete the subject area portion of the competency examination. Additionally, it renames the "competency examination" the "alternative competency examination" and requires those seeking alternative certification to complete the general education, professional education, and subject area portions of the competency examinations.
