Fiscal Analysis

SB 1153 requires an actuarial study for any legislation that mandates a health plan to provide coverage. Impact of the bill will be dependent on the number of bills filed during a session that would be required to be sent to an actuary. Current actuary fees are \$210/hr. Average cost per bill for the '21 session due to the OPLAA Act was \$648.75.

FY'23 Impact: Dependent on filed bills
