

Fiscal Impact
2nd Session of the 57th Legislature

Bill No.:	SB 1375

Fiscal Analysis

If the expectation is that the current certification exams remain, but only teacher candidates seeking alternative certification will be required to take them, OEQA will be impacted fiscally. Currently, OEQA is reimbursed by the testing vendor \$10.00 per OGET and OSAT taken. In 2021-22, 1,597 teacher education candidates took the OGET and 2,301 took an OSAT. Should this bill pass, OEQA would need a funding increase in order to effectively meet our statutory requirement.
