6 be required to be submitted to the Division. Thereafter, in the
7 collection of health care data, the Division shall whenever possible
8 utilize existing health data resources and avoid duplication in the
9 collection of health care data.

10 5. Except as provided by Section 1-120 of this title and as
11 otherwise authorized by the provisions of the Oklahoma Health Care
12 Information System Act, the provisions of the Oklahoma Health Care
13 Information System Act shall not be construed to lessen or reduce
14 the responsibility of the information provider with regard to:

- 15 a. the accuracy of the data or information submitted,
- 16 b. liability for release of the data or information to
17 the Division, data processor or as otherwise

3 reports, information which is required by state or federal law to be
4 confidential shall not be transferred to any entity by the Division
5 unless a separate written agreement for such transfer has been
6 executed with the state agency, board or commission providing the
7 information to the Division.

8 SECTION 2. AMENDATORY 63 O.S. 2021, Section 1-120, is
9 amended to read as follows:

10 Section 1-120. A. Except as otherwise provided by Section 1-
11 119 of this title, the individual forms, computer tapes, or other
12 forms of data collected by and furnished to the Division of Health
13 Care Information or to a data processor pursuant to the Oklahoma
14 Health Care Information System Act shall be confidential and shall
15 not be public records as defined in the Oklahoma Open Records Act.

16 B. After approval by the State Department of Health, the
17 compilations prepared for release or dissemination from the data
18 collected, except for a report prepared at the request of an
19 individual data provider containing information concerning only its
20 transactions, shall be public records. ~~The Division shall establish~~
21 ~~a Health Care Information Advisory Committee as provided in Section~~
22 ~~1-122 of this title, to assist with determinations related to data~~
23 ~~collection, and information to be released and disseminated to the~~
24 ~~public.~~

1 C. The confidentiality of identifying information is to be
2 protected and the pertinent statutes, rules and regulations of ~~the~~
3 ~~State of Oklahoma~~ this state and of the federal government relative
4 to confidentiality shall apply.

5 D. Identifying information shall not be disclosed, and shall
6 not be used for any purpose except for the creation and maintenance
7 of anonymous medical case histories for statistical reporting and
8 data analysis.

9 E. The Division or other state agency receiving information
10 pursuant to the Oklahoma Health Care Information System Act shall be
11 subject to the same confidentiality restrictions imposed by state or
12 federal law as the public or private agency providing the
13 information and is prohibited from taking any administrative,
14 investigative or other action with respect to any individual on the
15 basis of the identifying information. The Division data analyzer or
16 other state agency receiving information pursuant to the Oklahoma
17 Health Care Information System Act is further prohibited from
18 identifying, directly or indirectly, any individual in any report of
19 scientific research or long-term evaluation, or otherwise disclosing
20 identities in any manner.

21 F. Except as otherwise authorized by the Oklahoma Health Care
22 Information System Act, identifying information submitted to the
23 Division which would directly or indirectly identify any person
24 shall not be disclosed by the Division either voluntarily or in
25

1 response to any legal process, unless directed to by a court of
2 competent jurisdiction, granted after application showing good cause
3 therefor with notice of the hearing to the Division. In assessing
4 good cause the court shall only grant such application if it seeks
5 to challenge the statistical efficacy of a finding made by the
6 Division or alleges a violation of confidentiality by the Division.
7 Such application shall then be granted only when the public interest
8 and the need for disclosure outweighs the injury to the person, to
9 the physician-patient relationship, and to the treatment services.
10 Upon the granting of such order, the court, in determining the
11 extent to which any disclosure of all or any part of any record is
12 necessary, shall impose appropriate safeguards against unauthorized
13 disclosure.

14 G. Any person who submits or receives data as required or
15 authorized by the Oklahoma Health Care Information System Act shall
16 be immune from liability in any civil action for any action taken as
17 required by the provisions of the Oklahoma Health Care Information
18 System Act. This immunity is in addition to any other immunity for
19 the same or similar acts to which the person is otherwise entitled.

20 H. Any person who violates the confidentiality provisions of
21 this section shall be punishable by a fine of Five Thousand Dollars
22 (\$5,000.00).

23 SECTION 3. REPEALER 63 O.S. 2021, Section 1-122, is
24 hereby repealed.

1 SECTION 4. This act shall become effective November 1, 2022.
