Section 3207.1. A. It is the intent of the Legislature that credits earned by students in any institution of higher education within The Oklahoma State System of Higher Education be fully accepted at any other institution of higher education within The Oklahoma State System of Higher Education and that the Oklahoma State Regents for Higher Education assume leadership in working with institutional faculty and administrators to ensure that students move smoothly from one level of education to another. Objectives

1 should include development of transfer policies and guides, degree  
2 sheets, course equivalencies, and common course numbering.

3 B. It is the intent of the Legislature that institutions of  
4 higher education within The Oklahoma State System of Higher  
5 Education, private institutions accredited by the Oklahoma State  
6 Regents for Higher Education, technology center school districts,  
7 schools or training programs licensed, accredited, approved, or  
8 regulated by any state agency, and private schools licensed by the  
9 Oklahoma Board of Private Vocational Schools be prohibited from  
10 placing statements in documents or brochures given to students or  
11 advertising in publications that credits earned at the institution,  
12 training program, or school are fully accepted at another  
13 institution or school without having a written agreement with the  
14 other institution or school stating that the credits will be fully  
15 accepted.

16 C. It is the intent of the Legislature that in establishing the  
17 minimum required score on an Advanced Placement Examination for  
18 granting course credit for a particular lower division course,  
19 institutions of higher education within The Oklahoma State System of  
20 Higher Education shall not require an Advanced Placement Exam score  
21 of more than three, except the requirement of an Advanced Placement  
22 Exam score of more than three shall be permitted for granting  
23 additional course credit for a lower division course or courses  
24 sequenced with the initial lower division course. Credit policy

1 regarding all Advanced Placement Exams shall be posted on campus

5 biennial reviews of their Advanced Placement credit policy. The  
6 Oklahoma State System of Higher Education shall report noncompliance  
7 to the House Common Education Committee, House Higher Education and  
8 Career Tech Committee, and Senate Education Committee, or similarly  
9 named House Committee if the named Committees no longer exist, by  
10 December 1 each year beginning December 1, 2021.

11 D. It is the intent of the Legislature that in establishing the  
12 minimum required score on a College Level Examination Program (CLEP)  
13 examination for granting course credit for a particular lower  
14 division course, institutions of higher education within The  
15 Oklahoma State System of Higher Education shall not require a score  
16 higher than the minimum score recommended by a nonprofit higher  
17 education association that makes recommendations on college-level  
18 equivalencies. Provided, however, the president of the institution  
19 may determine, based on evidence, that a higher score on the  
20 examination is necessary to indicate that a student is sufficiently  
21 prepared to be successful in a related, more advanced course for  
22 which the lower division course is a prerequisite. Institutions  
23 shall post on campus websites their CLEP examination policy

1 effective for the 2022-2023 academic year and for each academic year  
2 thereafter.

3 SECTION 2. This act shall become effective July 1, 2022.

4 SECTION 3. It being immediately necessary for the preservation  
5 of the public peace, health or safety, an emergency is hereby  
6 declared to exist, by reason whereof this act shall take effect and
