

1 STATE OF OKLAHOMA

2 2nd Session of the 58th Legislature (2022)

3 SENATE BILL 1822

By: Floyd

4  
5  
6 AS INTRODUCED

7 An Act relating to public finance; stating  
8 Legislative intent; requiring signage be placed on  
9 certain federally funded projects; providing for  
10 codification; providing an effective date.

11 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

12 SECTION 1. NEW LAW A new section of law to be codified  
13 in the Oklahoma Statutes as Section 34.701 of Title 62, unless there  
14 is created a duplication in numbering, reads as follows:

15 A. The Legislature finds that the Works Projects Administration  
16 (WPA) was instrumental in the development of the United States of  
17 America. Projects completed by the WPA improved the infrastructure  
18 and culture of those cities for decades, allowing the United States  
19 to thrive after World War II and continue to stand the test of time  
20 today. Upon the completion of each project, a plaque was mounted in  
21 plain view to let the public know the project was constructed for  
22 the people of that community. It is the intent of the Legislature  
23 to do the same, with all infrastructure or construction projects in  
24 this state that are funded partially or fully by the American Rescue

1 Plan Act of 2021 or the Infrastructure Investment and Jobs Act of  
2 2021.

3 B. All infrastructure or construction projects in this state  
4 that are funded partially or fully by the American Rescue Plan Act  
5 of 2021 or the Infrastructure Investment and Jobs Act of 2021, shall  
6 have signage displayed in a prominently visible location at the  
7 project site. The signage shall state the funding source and year  
8 completed. The Oklahoma Tourism and Recreation Department shall  
9 oversee the design and placement of signage on each project.

10 SECTION 2. This act shall become effective November 1, 2022.
