Reading Clerk

STATE OF OKLAHOMA

1st Session of the 59th Legislature (2023)

PROPOSED COMMITTEE  
SUBSTITUTE  
FOR  
HOUSE BILL NO. 1422

By: Grego

PROPOSED COMMITTEE SUBSTITUTE

An Act relating to motor vehicle; amending 47 O.S.  
2021, Section 11-406, which relates to farm tractors  
or implements; allowing certain tractors to operate  
on certain roadways; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 47 O.S. 2021, Section 11-406, is  
amended to read as follows:

Section 11-406. A. A farm tractor, as defined in Section 1-118  
of this title, used for agricultural, commercial or any other lawful  
purpose, or any implement of husbandry, as defined in Section 1-125  
of this title, except trailers and semitrailers when operated in  
accordance with statutory limits or provisions of Section 14-101 of  
this title, shall not be permitted to travel upon any highway in  
this state which is a part of the National System of Interstate and  
Defense Highways. However, the Department of Public Safety shall  
have the authority to permit such travel in certain geographic areas

1 of the state as deemed necessary. Such tractor or implement may be  
2 operated on any other roadway in this state if the operator has  
3 attached all the safety devices required by law and has taken  
4 reasonable steps to reduce the width of the tractor or implement as  
5 provided for by the manufacturer. Whenever the width of a farm  
6 tractor or implement of husbandry exceeds the width of that portion  
7 of a roadway on which the tractor or implement is driven, which is  
8 marked as a single lane of traffic, or, if the roadway has not been  
9 marked for lanes of traffic and the width of the tractor or  
10 implement exceeds more than fifty percent (50%) of the width of the  
11 roadway, the operator shall move the tractor or implement, as soon  
12 as possible, as far to the right-hand side of the roadway as is  
13 practicable and safe upon approach of any oncoming or following  
14 vehicle and upon approaching the crest of a hill.

15 B. Upon the immediate approach of a farm tractor or implement  
16 of husbandry which cannot be moved by the operator thereof to the  
17 far right-hand side of the roadway, as required in subsection A of  
18 this section, due to the existence of any bridge or guardrail, sign  
19 or any other physical impediment which would not safely allow such  
20 tractor or implement to travel on the far right-hand side of the  
21 road, the driver of every other vehicle shall yield the right-of-way  
22 and shall immediately pull over to the far right-hand side of the  
23 road and remain in such position until the tractor or implement has  
24 passed.

1 C. This section shall not operate to relieve any operator of a  
2 farm tractor or implement of husbandry from the duty to drive with  
3 due regard for the safety of all persons using the roadway.

4 SECTION 2. This act shall become effective November 1, 2023.
