

STATE OF OKLAHOMA

2nd Session of the 59th Legislature (2024)

COMMITTEE SUBSTITUTE  
FOR

HOUSE BILL NO. 3168

By: Kerbs

COMMITTEE SUBSTITUTE

An Act relating to insurance; amending 36 O.S. 2021, Section 1250.8, which relates to motor vehicle total loss or damage claims; prohibiting insurers from requiring certain estimate methods; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 36 O.S. 2021, Section 1250.8, is amended to read as follows:

Section 1250.8 A. If an insurance policy or insurance contract provides for the adjustment and settlement of first party motor vehicle total losses, on the basis of actual cash value or replacement with another of like kind and quality, one of the following methods shall apply:

1. An insurer may elect to offer a replacement motor vehicle which is a specific comparable motor vehicle available to the insured, with all applicable taxes, license fees, and other fees incident to the transfer of evidence of ownership of the motor

1 vehicle paid, at no cost to the insured other than any deductible  
2 provided in the policy. The offer and any rejection thereof shall  
3 be documented in the claim file; or

4 2. An insurer may elect a cash settlement based upon the actual  
5 cost, less any deductible provided in the policy, to purchase a  
6 comparable motor vehicle, including all applicable taxes, license  
7 fees and other fees incident to a transfer of evidence of ownership,  
8 or a comparable motor vehicle. Such cost may be determined by:

- 9 a. the cost of a comparable motor vehicle in the local  
10 market area when a comparable motor vehicle is  
11 currently or recently available in the prior ninety  
12 (90) days in the local market area,  
13 b. one of two or more quotations obtained by an insurer  
14 from two or more qualified dealers located within the  
15 local market area when a comparable motor vehicle is  
16 not available in the local market area, or  
17 c. the cost of a comparable motor vehicle as quoted in  
18 the latest edition of the National Automobile Dealers  
19 Association Official Used Car Guide or monthly edition  
20 of any other nationally recognized published  
21 guidebook.

22 B. If a first party motor vehicle total loss is settled on a  
23 basis which deviates from the methods described in subsection A of  
24 this section, the deviation shall be supported by documentation

1 giving particulars of the condition of the motor vehicle. Any  
2 deductions from such cost, including, but not limited to, deduction  
3 for salvage, shall be measurable, discernible, itemized and  
4 specified as to dollar amount and shall be appropriate in amount.  
5 The basis for such settlement shall be fully explained to a first  
6 party claimant.

7 C. If liability for motor vehicle damages is reasonably clear,  
8 insurers shall not recommend that third party claimants make claims  
9 pursuant to the third party claimants' own policies solely to avoid  
10 paying claims pursuant to such insurer's insurance policy or  
11 insurance contract.

12 D. Insurers shall not require a claimant to travel unreasonably  
13 either to inspect a replacement motor vehicle, obtain a repair  
14 estimate or have the motor vehicle repaired at a specific repair  
15 shop.

16 E. Insurers shall, upon the request of a claimant, include the  
17 deductible of a first party claimant, if any, in subrogation  
18 demands. Subrogation recoveries shall be shared on a proportionate  
19 basis with a first party claimant, unless the deductible amount has  
20 been otherwise recovered. No deduction for expenses shall be made  
21 from a deductible recovery unless an outside attorney is retained to  
22 collect such recovery. The deduction shall then be made for only a  
23 pro rata share of the allocated loss adjustment expense.

1 F. If an insurer prepares an estimate of the cost of automobile  
2 repairs, such estimate shall be in an amount for which it reasonably  
3 may be expected that the damage can be repaired satisfactorily. An  
4 insurer shall give a copy of an estimate to a claimant and may  
5 furnish to the claimant the names of one or more conveniently  
6 located repair shops, if requested by the claimant.

7 G. An insurer shall not require a first party nor third party  
8 claimant to obtain an estimate in a manner other than a personal  
9 inspection. The insurer shall explain what inspection alternatives  
10 other than personal inspection to the claimant.

11 ~~G.~~ H. If an amount claimed is reduced because of betterment or  
12 depreciation, all information for such reduction shall be contained  
13 in the claim file. Such deductions shall be itemized and specified  
14 as to dollar amount and shall be appropriate for the amount of  
15 deductions.

16 ~~H.~~ I. An insurer or its representative shall not require a  
17 claimant to obtain motor vehicle repairs at a specific repair  
18 facility. An insurer or its representative shall not require a  
19 claimant to obtain motor vehicle glass repair or replacement at a  
20 specific motor vehicle glass repair or replacement facility. An  
21 insurer shall fully and promptly pay for the cost of the motor  
22 vehicle repair services or products, less any applicable deductible  
23 amount payable according to the terms of the policy. The claimant  
24 shall be furnished an itemized priced statement of repairs by the

1 repair facility at the time of acceptance of the repaired motor  
2 vehicle. Unless a cash settlement is made, if a claimant selects a  
3 motor vehicle repair or motor vehicle glass repair or replacement  
4 facility, the insurer shall provide payment to the facility or  
5 claimant based on a competitive price, as established by that  
6 insurer through market surveys or by the insured through competitive  
7 bids at the insured's option, to determine a fair and reasonable  
8 market price for similar services. Reasonable deviation from this  
9 market price is allowed based on the facts in each case.

10 ~~I.~~ J. An insurer shall not use as a basis for cash settlement  
11 with a first party claimant an amount which is less than the amount  
12 which an insurer would pay if repairs were made, other than in total  
13 loss situations, unless such amount is agreed to by the insured.

14 ~~J.~~ K. An insurer shall not force a claimant to execute a full  
15 settlement release in order to settle a property damage claim  
16 involving a personal injury.

17 ~~K.~~ L. All payment or satisfaction of a claim for a motor  
18 vehicle which has been transferred by title to the insurer shall be  
19 paid by check, draft or electronic payment, payable on demand.

20 ~~L.~~ M. In the event of payment of a total loss to a third party  
21 claimant, the insurer shall include any registered lienholder as  
22 copayee to the extent of the lienholder's interest.

23 ~~M.~~ N. As used in this section, "total loss" means that the  
24 vehicle repair costs plus the salvage value of the vehicle meets or

1 exceeds the actual cash value of the motor vehicle prior to the  
2 loss, as provided in used automobile dealer guidebooks.

3 ~~N.~~ O. An insurer shall not offer a cash settlement as provided  
4 in paragraph 2 of subsection A of this section for the purchase of a  
5 comparable motor vehicle and then subsequently sell the motor  
6 vehicle which has been determined to be a total loss back to the  
7 claimant if the insurer has determined that the repair of the  
8 vehicle would not result in the vehicle being restored to operative  
9 condition as provided in Section 1111 of Title 47 of the Oklahoma  
10 Statutes unless the claimant specifies in writing or via an  
11 electronic signature that the claimant understands that the motor  
12 vehicle shall be titled as a "junked vehicle".

13 SECTION 2. This act shall become effective November 1, 2024.
