BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 68 O.S. 2021, Section 1009, is amended to read as follows:

Section 1009. A. The gross production tax on asphalt and on ores bearing lead, zinc, jack, gold, silver or copper, and on petroleum oil, tank bottoms, pit oil, and liquid hydrocarbons from which petroleum oil is extracted, and on gas shall be paid on a monthly basis in accordance with this article.

2 hydrocarbons from which petroleum oil is extracted, natural gas or
3 casinghead gas produced in and saved during the preceding monthly
4 period, and, if the tax is not paid on or before the twenty-fifth
5 day of the second calendar month following the month of production,
6 the tax shall become delinquent and shall be collected in the manner
7 provided by law for the collection of delinquent gross production
8 taxes. The provisions of this subsection shall apply to payment of
9 gross production taxes irrespective of any other statute relating
10 thereto.

11 C. On all petroleum oil extracted from tank bottoms, pit oil,
12 or liquid hydrocarbons, the gross production tax shall be paid by
13 the operator of the reclaiming plant, unless the tax levied by this
14 article has already been paid thereon.

15 D. On oil and gas sold at the time of production, the gross
16 production tax shall be paid by the purchaser of such products, and
17 such purchaser shall, and is hereby authorized to deduct in making
18 settlements with the producer and/or royalty owner, the amount of
19 tax so paid. In the event oil is not sold at the time of production
20 but is retained by the producer, ~~the tax on such oil not so sold~~
21 ~~shall be paid by the producer for himself including the tax due on~~
22 ~~royalty oil not sold;~~ producers may elect to report and pay the
23 gross production tax on such oil in accordance with the provisions
24 of this section. This election shall require prior written notice

1 to the Oklahoma Tax Commission and producers may be required to
2 submit reports to the Commission that reconcile production
3 transferred off the lease. The purchaser of such oil shall not be
4 liable for the gross production tax and shall not be required to
5 obtain a purchaser's reporting number for such oil. The obligations
6 outlined in this subsection shall not be controlled by any
7 contractual provisions between the producer and the purchaser;
8 provided, that in settlement with the royalty owner such producer
9 shall have the right to deduct the amount of such tax so paid on
10 royalty oil or to deduct therefrom royalty oil equivalent in value
11 at the time such tax becomes due with the amount of the tax paid.
12 The gross production tax upon asphalt, or on ores bearing lead,
13 zinc, jack, gold, silver or copper shall be paid by the producer for
14 himself or herself, including the royalty interest; provided, that
15 in settlement with the royalty owner such producer shall have the
16 right to deduct the amount of such tax so paid on royalty asphalt,
17 or on ores bearing lead, zinc, jack, gold, silver or copper, or to
18 deduct therefrom royalty asphalt, or ores bearing lead, zinc, jack,
19 gold, silver or copper, equivalent in value at the time such tax
20 became due, to the amount of tax paid.

21 E. 1. Producers, either as operators of producing wells or as
22 nonoperating working interest owners who take gas in kind at the
23 wellhead at the time of production, may elect to report and pay the
24 gross production tax on such gas in accordance with the provisions

1 of this section, if the first sale of such gas by the producer is to
2 a final consumer or user of the gas. This election shall not be
3 available to a producer if the first sale of such gas is to a
4 purchaser who is approved and bonded to remit gross production taxes
5 or unless prior approval of the Oklahoma Tax Commission is obtained
6 by the producer. This election shall not be controlled by any
7 contractual provisions between the producer and the purchaser. This
8 election shall be made only by the producer upon forms prescribed
9 therefor.

10 Upon exercise of the election to report and pay the gross
11 production tax by a producer, the purchaser of such gas shall not be
12 liable for the gross production tax and shall not be required to
13 obtain a purchaser's reporting number for such gas.

14 2. Gas when produced and utilized in any manner, except when
15 used in the operation of the lease or premises in the production of
16 oil or gas, or for repressuring, shall be considered for the purpose
17 of this article, as to the amount utilized, as gas actually produced
18 and saved.

19 F. 1. In case oil or gas is sold under circumstances where the
20 sale price does not represent the cash price prevailing for oil or
21 gas of like kind, character or quality in the field from which such
22 product is produced, the Tax Commission may require the ~~said~~ tax to
23 be paid upon the basis of the prevailing price then being paid at
24

1 the time of production for sales in ~~said~~ the field for oil or gas of
2 like kind, quality and character and on no other basis.

3 2. In the case where the sale of oil or gas is between related
4 entities, the taxpayer shall have the burden of proving with
5 evidence of arm's-length sales between unrelated parties that the
6 sales price represents the cash price prevailing for oil or gas of
7 like kind, character or quality for sales in the field from which
8 such product is produced. In the absence of such proof, the
9 prevailing price shall be presumed to be the average price of oil or
10 gas produced for sales in the county from which the product is
11 produced, as determined by the Tax Commission from monthly tax
12 reports filed pursuant to Section 1010 of this title. In
13 determining the average price, the Tax Commission shall not include
14 the sales of oil or gas under review and shall not include prices
15 from other sales that have been previously adjusted by the Tax
16 Commission pursuant to this subsection.

17 3. For the purposes of this subsection, an entity is related to
18 another entity if:

- 19 a. the two entities have significant common purposes and
20 substantial common membership,
 - 21 b. the two entities have direct or indirect substantial
22 common direction or control, or
- 23
24

1 c. either entity owns, directly or through one or more
2 entities, a fifty percent (50%) or greater interest in
3 the capital or profits of the other entity.

4 G. Pursuant to the provisions of a gas purchase contract or
5 agreement, if the first purchaser makes payments to the producer as
6 a result of the failure or refusal of ~~said~~ such purchaser to take
7 gas, ~~said~~ such payments, for purposes of this article, are hereby
8 deemed to be part of the gross value of gas taken according to ~~said~~
9 such contract or agreement. The gross production tax shall be
10 calculated upon the gross value, including ~~said~~ such payments, in
11 accordance with the provisions of this article. Gas on which the
12 gross production tax has been paid in this manner when taken by ~~said~~
13 the purchaser shall be reported as gas on which ~~said~~ the tax has
14 been paid. If ~~said~~ such gas, which corresponds to such payments, is
15 not taken but payments therefor are retained by the producer, then
16 ~~said~~ such payments are hereby deemed to be a premium on gas which
17 was taken under ~~said~~ such contract or agreement.

18 SECTION 2. This act shall become effective November 1, 2024.
