16 owned by railroads, air carriers, and public service corporations
17 that are assessed by the State Board of Equalization. Exempt Indian
18 land and other exempt property shall be valued and the value placed
19 upon such records.

20 B. When the valuation of the real estate of each county has
21 been completed, as required by this section, it shall be the
22 mandatory duty of the county assessor and each of his or her
23 successors in office, to continuously maintain, revise, and correct
24 the records relating thereto, and to continuously adjust and correct

1 assessed valuations in conformity therewith. Such maintenance,

11 appropriations to enable the county assessor to perform the duties
12 required of him or her by this section. If any board of county
