BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified
in the Oklahoma Statutes as Section 567.5b of 59, unless there is
created a duplication in numbering, reads as follows:

1 A. The Oklahoma Board of Nursing, the State Board of Medical
2 Licensure and Supervision, and the State Board of Osteopathic
3 Examiners shall collaborate to promulgate a uniform set of rules:

4 1. Governing supervision requirements of an Advanced Practice
5 Registered Nurse; and

6 2. That impose a reasonable limit on the monetary amount that a
7 supervising physician may charge an Advanced Practice Registered
8 Nurse for supervision. Nothing in this paragraph shall be construed
9 to require a supervising physician to charge a fee for supervision.

10 B. The Oklahoma Board of Nursing, the State Board of Medical
11 Licensure and Supervision, and the State Board of Osteopathic
12 Examiners may collaborate to promulgate a uniform set of rules
13 imposing a reasonable limit on the number of Advanced Practice
14 Registered Nurses that a physician may supervise; provided, however,
15 such rules shall allow a physician to seek a waiver to exceed this
16 limit for such purposes as may be determined by the Boards in the
17 uniform set of rules.

18 C. The State Board of Medical Licensure and Supervision and the
19 State Board of Osteopathic Examiners shall make available, and keep
20 updated, in a conspicuous location on the Internet website of each
21 Board a list of physicians who are available to supervise Advanced
22 Practice Registered Nurses. The Boards shall develop procedures
23 necessary for the implementation of this section.

1 SECTION 2. This act shall become effective November 1, 2023.
