11 therapeutic interchange, and other drug utilization management
12 activities for clinical appropriateness and consistency with
13 industry standards and patient and provider organization guidelines;

14 10. The P&T committee shall annually review and provide a
15 written report to the pharmacy benefits manager on:

- 16 a. the percentage of prescription drugs on formulary
17 subject to each of the types of utilization management
18 described in paragraph 9 of this subsection,

9 clinical justification if this time frame is not met;

10 12. The P&T committee shall review procedures for medical

16 management requirements).

17 C. The health insurer, its agents, including pharmacy benefits

22 class of drugs, the amount of any rebates provided for a specific
23 drug or class of drugs, the manufacturer, or that would otherwise
24 have the potential to compromise the financial, competitive, or

1 proprietary nature of the information. Any such information shall
2 be protected from disclosure as confidential and proprietary
3 information, is not a public record as defined in the Oklahoma Open
4 Records Act, Section 24A.1 et seq. of Title 51 of the Oklahoma
5 Statutes, and shall not be disclosed directly or indirectly. A
6 health insurer shall impose the confidentiality protections of this
7 section on any vendor or downstream third party that performs health
8 care or administrative services on behalf of the pharmacy benefits
9 manager that may receive or have access to rebate information.

10 SECTION 7. NEW LAW A new section of law to be codified
11 in the Oklahoma Statutes as Section 6962.2 of Title 36, unless there
12 is created a duplication in numbering, reads as follows:

13 A. An enrollee's defined cost sharing for each prescription
14 drug shall be calculated at the point of sale based on a price that
15 is reduced by an amount equal to at least eighty-five percent (85%)
16 of all rebates received, or to be received, in connection with the
17 dispensing or administration of the prescription drug.

18 B. For any violation of this section, the Insurance
19 Commissioner may subject a PBM to an administrative penalty of not
20 less than One Hundred Dollars (\$100.00) nor more than Ten Thousand
21 Dollars (\$10,000.00) for each occurrence. Such administrative
22 penalty may be enforced in the same manner in which civil judgments
23 may be enforced.

1 C. Nothing in subsections A and B of this section shall
2 preclude a PBM from decreasing an enrollee's defined cost sharing by
3 an amount greater than that required under subsection A of this
4 section.

5 D. In implementing the requirements of this section, the state
6 shall only regulate a PBM to the extent permissible under applicable
7 law.

8 E. In complying with the provisions of this section, a PBM or
9 its agents shall not publish or otherwise reveal information
10 regarding the actual amount of rebates a PBM receives on a product
11 or therapeutic class of products, manufacturer, or pharmacy-specific
12 basis. Such information is protected as a trade secret, is not a
13 public record as defined in the Oklahoma Open Records Act, Section
14 24A.1 et seq. of Title 51 of the Oklahoma Statutes, and shall not be
15 disclosed directly or indirectly, or in a manner that would allow
16 for the identification of an individual product, therapeutic class
17 of products, or manufacturer, or in a manner that would have the
18 potential to compromise the financial, competitive, or proprietary
19 nature of the information. A PBM shall impose the confidentiality
20 protections of this section on any vendor or downstream third party
21 that performs health care or administrative services on behalf of
22 the insurer that may receive or have access to rebate information.

3. "Price protection rebate" means a negotiated price concession that accrues directly or indirectly to the insurer, or other party on behalf of the insurer, in the event of an increase in the wholesale acquisition cost of a drug above a specified threshold;

4. "Rebate" means:

a. negotiated price concessions including, but not limited to, base price concessions (whether described as a rebate or otherwise) and reasonable estimates of any price protection rebates and performance-based price concessions that may accrue directly or indirectly to the insurer during the coverage year from a manufacturer, dispensing pharmacy, or other

1 party in connection with the dispensing or
2 administration of a prescription drug, and
3 b. reasonable estimates of any negotiated price
4 concessions, fees, and other administrative costs that
5 are passed through, or are reasonably anticipated to
6 be passed through, to the insurer and serve to reduce
7 the insurer's liabilities for a prescription drug.

8 B. An enrollee's defined cost sharing for each prescription
9 drug shall be calculated at the point of sale based on a price that
10 is reduced by an amount equal to at least eighty-five percent (85%)
11 of all rebates received, or to be received, in connection with the
12 dispensing or administration of the prescription drug.

13 C. For any violation of this section, the Insurance
14 Commissioner may subject an insurer to an administrative penalty of
15 not less than One Hundred Dollars (\$100.00) nor more than Ten
16 Thousand Dollars (\$10,000.00) for each occurrence. Such
17 administrative penalty may be enforced in the same manner in which
18 civil judgments may be enforced.

2 shall only regulate an insurer to the extent permissible under
3 applicable law.

5 or its agents shall not publish or otherwise reveal information
6 regarding the actual amount of rebates an insurer receives on a
7 product or therapeutic class of products, manufacturer, or pharmacy-
8 specific basis. Such information is protected as a trade secret, is
9 not a public record as defined in the Oklahoma Open Records Act,
10 Section 24A.1 et seq. of Title 51 of the Oklahoma Statutes, and
11 shall not be disclosed directly or indirectly, or in a manner that
12 would allow for the identification of an individual product,
13 therapeutic class of products, or manufacturer, or in a manner that
14 would have the potential to compromise the financial, competitive,
15 or proprietary nature of the information. An insurer shall impose
16 the confidentiality protections of this section on any vendor or
17 downstream third party that performs health care or administrative
18 services on behalf of the insurer and that may receive or have
19 access to rebate information.

20 SECTION 9. This act shall become effective November 1, 2023.
