10 COMMITTEE SUBSTITUTE

11 An Act relating to revenue and taxation; amending
12 Section 1, Chapter 343, O.S.L. 2022 (68 O.S. Supp.
13 2022, Section 2358.6a), which relates to bonus
14 depreciation; clarifying application of depreciation;
15 clarifying procedure for claiming depreciation;
16 authorizing filing of amended tax return under
17 certain conditions; prohibiting Oklahoma Tax
18 Commission from assessing penalties or interest under
19 certain conditions; and providing an effective date.

20 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

21 SECTION 1. AMENDATORY Section 1, Chapter 343, O.S.L.
22 2022 (68 O.S. Supp. 2022, Section 2358.6a), is amended to read as
23 follows:

24 Section 2358.6a A. As used in this section:

1 1. "Internal Revenue Code" means Title 26 of the United States
2 Code also known as the federal Internal Revenue Code of 1986, as
3 amended;

4 2. "Tax Cuts and Jobs Act" means Public Law No. 115-97 (115th
5 Congress Public Law 97);

6 3. "Qualified property" shall have the same meaning as in
7 Internal Revenue Code Section 168(k) as the Code existed on January
8 1, 2021, and shall apply to property placed in service after
9 December 31, 2021;

10 4. "Qualified improvement property" shall have the same meaning
11 as in Internal Revenue Code Section 168(e)(6) as the Code existed on
12 January 1, 2021, and shall apply to property placed in service after
13 December 31, 2021; and

14 5. "Full expensing" or "one hundred percent (100%) bonus
15 depreciation" means a method for taxpayers to recover costs for
16 certain expenditures in research and experimentation and depreciable
17 business assets by immediately deducting the full cost of such
18 expenditures in the tax year in which the cost is incurred or the
19 property is placed in service.

20 B. Taxpayers shall have the option for immediate and full
21 expensing for qualified property and qualified improvement property
22 as follows:

23 1. For purposes of computing income tax for taxable years
24 beginning after December 31, 2021, the cost of expenditures for

1 business assets that are qualified property or qualified improvement
2 property covered under Section 168 of the Internal Revenue Code
3 shall be eligible for one hundred percent (100%) bonus depreciation
4 and may be deducted as an expense incurred by the taxpayer during
5 the taxable year during which the property is placed in service,
6 notwithstanding any changes to federal law related to amortization
7 of cost recovery beginning on or after January 1, 2023, and shall
8 permanently remain fully and immediately deductible as an expense in
9 the tax year in which the property is placed in service for purposes
10 of calculating the taxpayer's income; and

11 2. If a taxpayer elects immediate and full expensing of
12 qualified property or qualified improvement property, any
13 depreciation calculated and claimed pursuant to this section shall
14 in no event be a duplication of any depreciation or bonus
15 depreciation allowed or permitted on the federal income tax return
16 of the taxpayer. For income tax returns filed on or after January
17 1, 2023, federal taxable income shall be increased by the amount of
18 depreciation received under the Internal Revenue Code for the
19 qualified property or qualified improvement property for which the
20 election has been made to immediately and fully expense the asset on
21 the Oklahoma income tax return for the year in which the property
22 was placed in service. A taxpayer filing a return for which federal
23 taxable income is not increased as provided for in this section
24 prior to October 1, 2023, shall file an amended return reflecting

1 such increase not later than June 30, 2024. The Tax Commission
2 shall not assess penalties or interest with respect to the failure
3 to reflect such increase if a correct amended return is filed as
4 required herein; and

5 3. The taxpayer's decision to recover investment costs through
6 immediate expensing in the year the investment cost is incurred, or
7 amortized over an amortization schedule, is irrevocable unless
8 specifically allowed for by the Oklahoma Tax Commission.

9 C. 1. To conform to Section 179 of the Internal Revenue Code,
10 taxpayers shall be allowed to immediately deduct as an expense the
11 cost of certain depreciable business assets in the tax year in which
12 the property is placed in service.

13 2. For purposes of computing income tax for taxable years
14 beginning after December 31, 2021, taxpayers may elect to treat the
15 cost of any Section 179 of the Internal Revenue Code property as an
16 expense which is not chargeable to the capital account. Any cost so
17 treated shall be allowed as a deduction for the taxable year in
18 which the Section 179 Internal Revenue Code property is placed in
19 service.

20 D. The Oklahoma Tax Commission shall, within sixty (60) days of
21 the effective date of this act, promulgate rules for implementation
22 of this act which shall conform to the Internal Revenue Code of 1986
23 and must be consistent with the Internal Revenue Service's rules.

1 The provisions of this section shall supersede to the extent of any
2 inconsistency with any administrative rule.

3 SECTION 2. This act shall become effective November 1, 2023.
